

GRIT & RESILIENCE

FAILURE

Response #3: Good failure.

Asma is learning to speak Spanish. She pronounces one of the words wrong, and her friend tells her the correct way to pronounce the word. Asma takes the time to practice repeating the word correctly so she can fix her mistake.

This kind of response to failure DOES help us learn.

MANTRAS

Sometimes, it helps to have a mantra (something you repeat over and over to yourself) when things get tough.

On the next slide, you'll see some mantras you can use *in addition to* your goals. Go to the next slide and type the mantras in the boxes underneath each one. You can also make up your own if you wish.
